CAREER OBJECTIVE

To work for an organization to enhance and to learn new knowledge and skills which can benefit the organization.

EDUCATION

B.E. in Mechanical Engineering <i>C.K.PithawalaCollegeofEngineeringand Technology, Gujarat Technological University (GTU)</i>	CGPA: 8.94 Graduate
Higher Secondary Certificate (HSC) <i>InstituteofOurLadyofFatima,GujaratSecondary & Higher Secondary Board, Gandhinagar</i>	First Class Completed
Secondary School Certificate (SSC) <i>CoastGuardPublicSchool,CentralBoardofSecondary Education (CBSE)</i>	CGPA: 8.0 Completed

PROFESSIONAL EXPERIENCE

Kabra Extrusion Technik — Horizontal Plant <i>Mechanical Engineering Intern</i>	(01.06.2021 to 15.06.2021)
Studied the fundamental mechanical components and technical operations of industrial Pipe Extrusion machines.	
Kabra Extrusion Technik — Vertical Plant <i>MechanicalEngineeringIntern—CustomerSupportDepartment (CSD)</i>	(07.01.2022 to 07.04.2022)
- Analyzed the engineering design, key components, and manufacturing workflows of complex Blown Film Plants. - Executed detailed mechanical inspection, quality assurance checks, and physical verification of specialized plant components.	

SKILLS & CERTIFICATIONS

MS Office Suite: Word, Excel, and PowerPoint (Certification courses completed via Udemy)
Engineering Design: AutoCAD 2006 (Certificate course in Engineering Auto-Cad through UNIX Institute of Computer Education)
Generative AI & Tools: Chat-GPT prompt utilization and workflow integration (Certification course completed via Udemy)

MAJOR STRENGTHS

✓ Taking initiative & proactive focus	✓ Dedicated learning through hard work
✓ Patient & active listener	✓ Confident, adaptable, & quick learner
