Subject: Application for Data Analyst – Leo B Polackal

Dear [Hiring Manager Name / Hiring Team],

I am writing to express my strong interest in the Entry-Level Data Analyst position at [Company Name]. Possessing hands-on technical training in SQL, Python, MS Excel, and visual analytics tools, I am eager to contribute to your team by transforming raw data into clear, actionable business insights.

Through dedicated project work, I have built a solid foundation in data wrangling, exploratory data analysis (EDA), and automated dashboard creation. My technical experience includes writing optimized SQL queries for multi-table joins, cleaning unstructured datasets using Pandas, and building clear reporting dashboards that highlight key performance metrics.

[Company Name]'s data-driven approach deeply aligns with my professional focus. I welcome the opportunity to discuss how my analytical mindset, adaptability, and proactive learning ethic make me a strong fit for your team. Thank you for your time and consideration.

Sincerely,

Leo B Polackal
